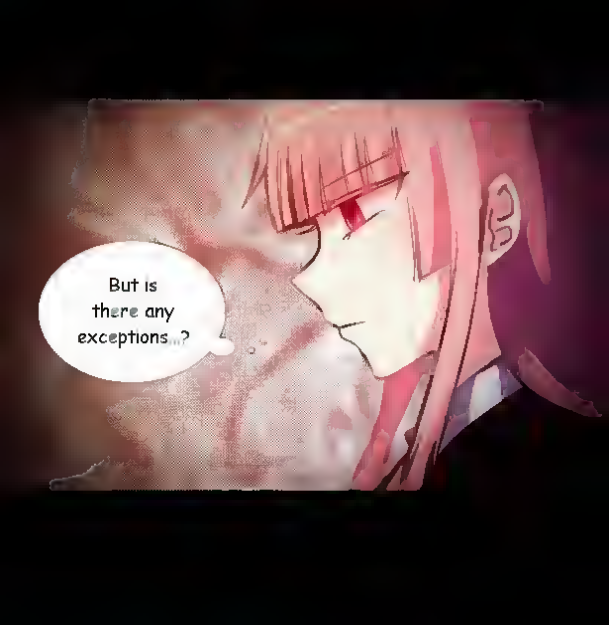
Humans can't have red eyes...
It's part of the agreement.



But is there any exceptions...?

Only a direct Navarus descendant can get the world creation books
Neal and even the servants have a very limited access to this place
There's so many secret informations
The secret Navarus library

And....
I honestly could borrow a bit of the power of this place

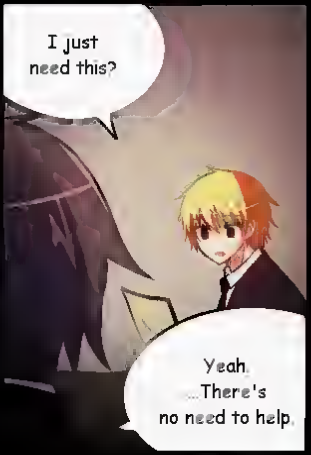
Human with
red eyes_

I will
definitely
find out!

CREPUSCULE

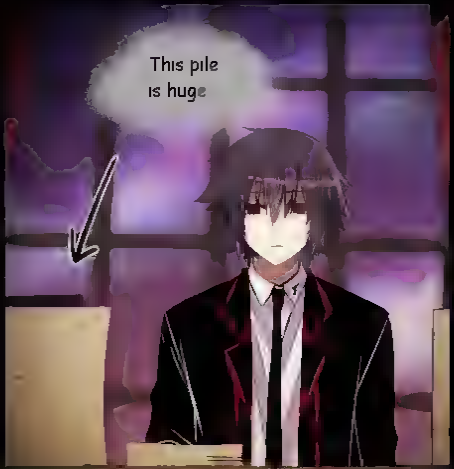
Sorry for the late update, I'm currently moving ^^
Also, since you guys seemed to prefer Setz written this way, from now on I'll spell his name like that too.

촤락
촤락



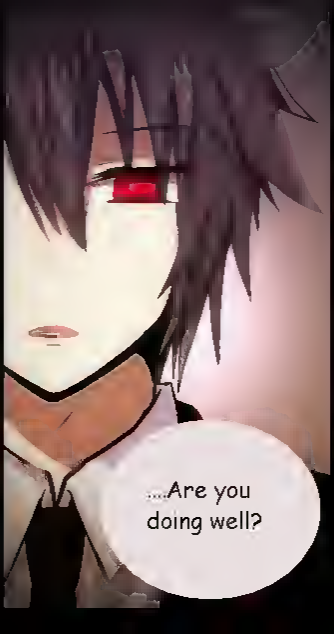
I just need this?
Yeah. ...There's no need to help.

That's not
what I'd say



This pile
is huge

Well, for once I'll help you
.....

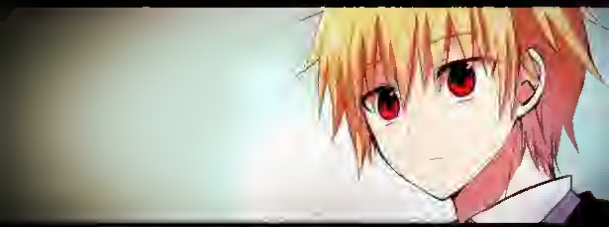


....Are you
doing well?

I'm fine
I've been out for a few days, but now it's ordinary school life Why?

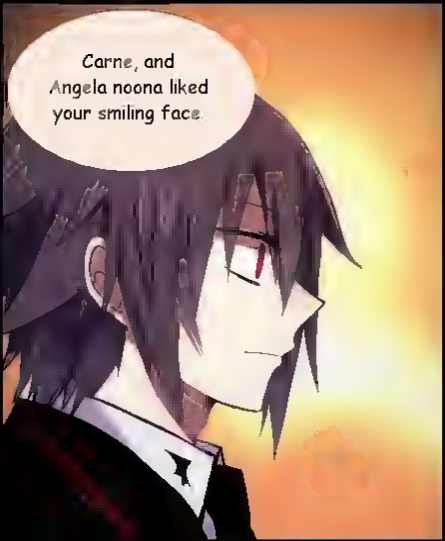
I mean, sometimes the teacher is a little...
where are your ambitions gone?

I'm glad



You're strange!

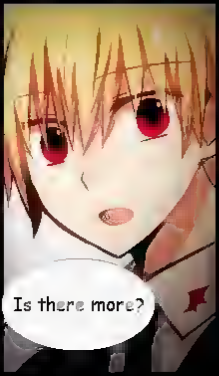
!!
No, it's just..
Since then I haven't seen you laughing much.
Don't work too much
And live with a smile.



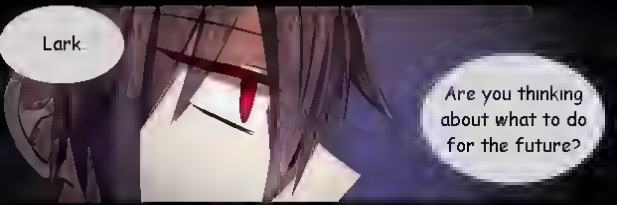
Carne, and
Angela noona liked
your smiling face.

...Yeah

Huh? I'm done



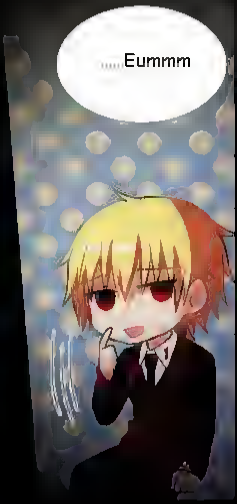
Is there more?



Lark.
Are you thinking about what to do for the future?

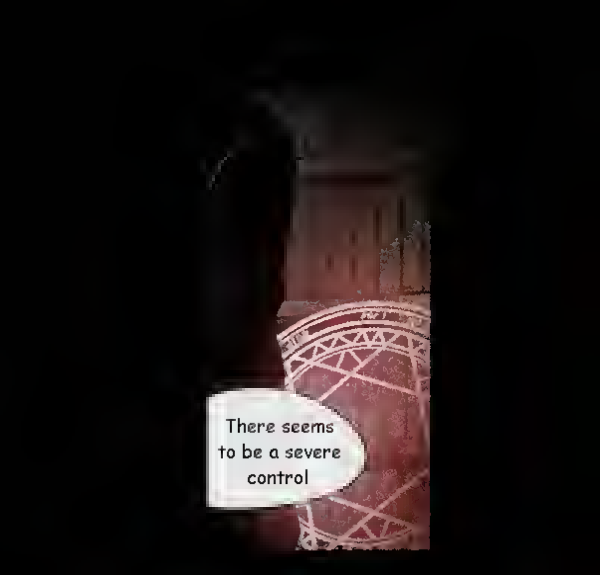
...It might be hard,
but you know we
have to do it.

School life is one thing but... there's more important
What are you going to do about it?

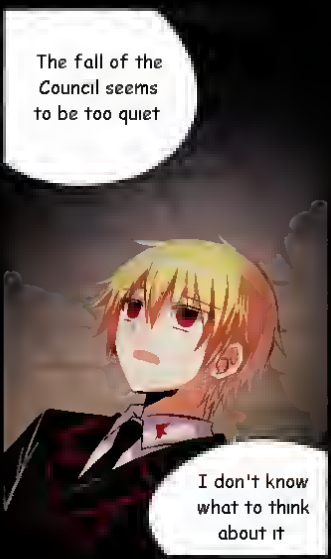


.....Eummm

Actually,
I don't know yet
Although, I'll keep going to the library to find out more about the world but

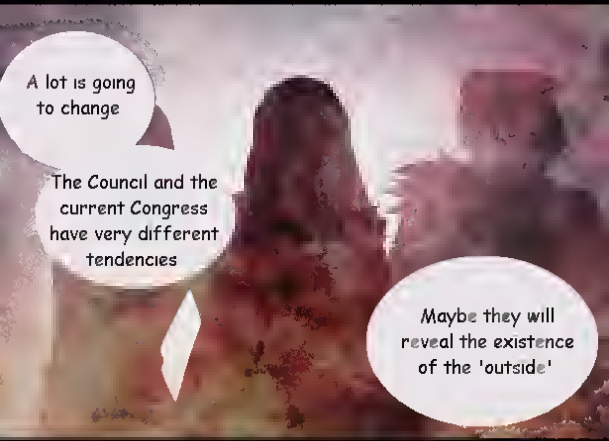


There seems to be a severe control



The fall of the Council seems to be too quiet
I don't know what to think about it

In the future the Congress will be the centerpiece of this world



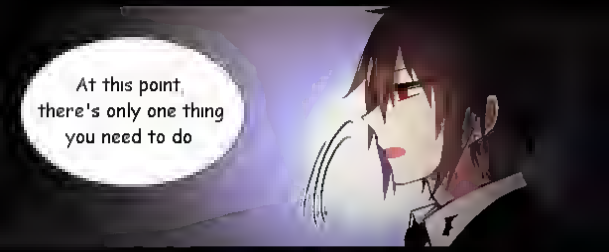
A lot is going to change
The Council and the current Congress have very different tendencies
Maybe they will reveal the existence of the 'outside'

끌꺽..
...Until now, the Congress has not pressed the Council
Now, that control is gone.

They are now
The only rulers

Well, I think
The Congress are the good guys, right ?

Well, once it will have officially resigned it..
It's a good thing I know but..
Hmmm...
It's not looking that good



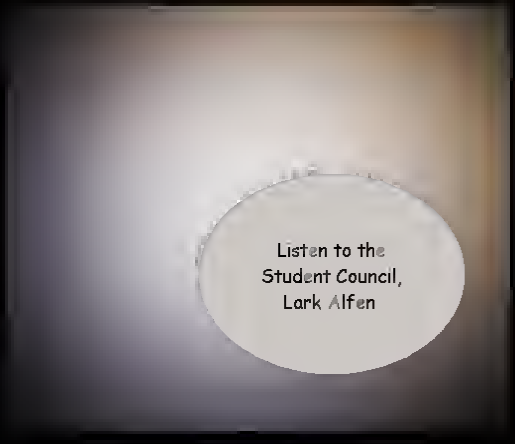
At this point, there's only one thing you need to do

Huh?

Idiot
Still not recognizing my position?
I mean, what are you

Remember the raison d'être of the Student Council

어…?



To be continued
